

Teachers' Guide

Discuss with the children the value of courage (**courage happens when we find ourselves feeling scared or afraid but not letting that fear hold us back**).

Courage helps us to get through our fears and worries. Showing courage is a really important value and it makes a big difference to ourselves and the people around us.

Watch Rocking Rodney and courage.

Invite the children to share their ideas and discuss what they think about courage and what happened in the Rocking Rodney movie. Children can hold the Values Teddy whilst they are sharing their thoughts about each question.

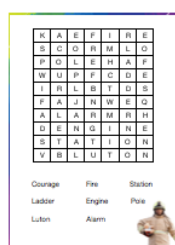

Invite the children to identify the pictures that show and/or express the value of courage.

Invite the children to play 'spot the difference'.
