

# Teachers' Guide

Discuss with the children the value of caring (**caring happens when we look after the people we meet and the community we live in**).

Taking care of people and the environment is everyone's responsibility. Being caring is a really important value and it will make a big difference to ourselves and the people around us.

Watch Rocking Rodney and caring.

Invite the children to share their ideas and discuss what they think about caring and what happened in the Rocking Rodney movie. Children can hold the Values Teddy whilst they are sharing their thoughts about each question.

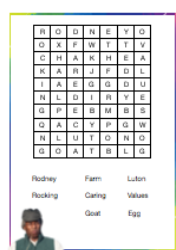

Invite the children to identify the pictures that show and/or express the value of caring.

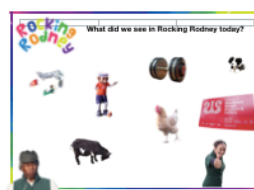

Invite the children to play spot the difference.
