

Teachers' Guide

Discuss with the children the value of community (**community happens when people come together**).

Imagine feeling sad but having no-one to give you a hug, imagine having some really great news but having no-one to share it with, imagine playing hide and seek on your own?!

Living life together in community is a really important value and it makes a big difference to ourselves and the people around us.

Watch Rocking Rodney and community.

Invite the children to share their ideas and discuss what they think about community and what happened in the Rocking Rodney movie. Children can hold the Values Teddy whilst they are sharing their thoughts about each question.

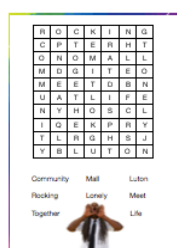

Invite the children to identify the pictures that show and/or express the value of community.

Invite the children to play 'spot the difference'.
