

# Teachers' Guide

Discuss with the children the value of positivity (**being positive happens when we think about what we can do and put it into action**).

We won't always be able to control what goes on around us but we can control our responses to it. Being positive is a really important value and it will make a big difference to ourselves and the people around us.

Watch Rocking Rodney and the value of positivity.

Invite the children to share their ideas and discuss what they think about positivity and what happened in the Rocking Rodney movie. Children can hold the values teddy when they are sharing their ideas.

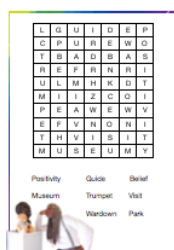

Invite the children to identify the pictures that show and/or express the value of positivity.

Invite the children to play 'spot the difference'.

## Activities

### Word-search

### Look and See

### Colouring
